## Katen Koin Kapers

The Coin House  
Organ to end all  
such blurbs.  
Vol. 1, No. 1.  
June 1949

This Auction Sale, our 14th, ends a very successful season. Starting in August 1948, with the A.N.A. Sale in Boston, Mass. and ending with this sale in June 1949, we will have completed 7 separate sales, embodying 16 sessions selling a total of 11,020 lots.

This record, we believe is outstanding in the field of numismatics today. To use the words of Al Smith, 'LET'S LOOK AT THE RECORD', and then, consider letting us sell your coins.

ORCHIDS to James Kelly of Dayton, Ohio and Dave Bullowa of Philadelphia, Pa., for their clean and wholesome House Organs. No personalities or innuendos. Just coins and coin info. Keep up the good work.

THE MASONIC Collection we mentioned several months ago is now in our possession. The boys at the Customs were very cooperative but Uncle Sammy has his rules and regulations. Now that I have this collection, what am I going to do with it? There are over 900 different items, mostly the collection of Frederick the Great. A few of the pieces have as many as 2 diamonds and 2 rubies.

Several requests for additional information have been received and will be taken care of. The thought occurred to me that a great many coin collectors as well as masons would appreciate a reference book using this collection as a basis. This book would have to be illustrated as it is almost impossible to describe some of these beautiful items.

THE PRINTING of 1000 copies of such a book would probably run to \$5.00 each on a non-profit basis. HOW MANY COIN COLLECTORS WOULD BUY THIS BOOK AT \$5.00? Your reply will be appreciated and would not obligate you in any way. SIMPLY BROKERAGE. Several collectors have sent us material unsolicited with a request it be sold thru our bourse table at the San Francisco Convention. Perhaps there are other collectors who may wish to avail themselves of our services. Send us your worthwhile duplicates or a complete collection. You state the price you want. If we sell it, we simply deduct our commission of 10%, and send you a check for the balance. Material should reach us before August 1st, as we shall be away the entire month. Full insurance is carried. WE TAKE A BOW and thank the New Haven Numismatic Society, Meriden Coin Club and Waterbury Numismatic Society for the nomination as a candidate for

Board of Governors of the A.N.A. It is a high honor and carries with it serious obligations. Nevertheless we have decided to accept the nomination and hope for the support of my friends by their vote.

Personal data as submitted to genial A.N.A. Secretary Lew Reagan follows: Member of the A.N.A. since 1940, now Life Member No. 132 and District Secretary for Connecticut since 1944, serving under three presidents. Also member of the following clubs and societies: Fellow Royal Numismatic Society; Amer. Num. Soc.; Num. Soc. of South Australia; Central States; Boston; Hartford; Iowa; New England; New Haven; New York; Pacific Coast; and Waterbury. Many philatelic clubs including Amer. Phila. Soc. and Amer. Stamp Dealers' Assn. Founder and Secretary of American Coin Dealers' Association.

SERVED as Chairman, Dealers' Committee of National Coin Week in 1945, as well as on Ballot, Proxies and Resolutions Committees at various A.N.A. Conventions. Won individual First Prize in 1944 A.N.A. National Coin Week. P.S. Honest, fellers, I really couldn't have done all that without Frances.

WHILE ON THE DISTAFF subject, wonder how many of the fair sex are in professional numismatics 100%. Frances (the other Katen) has been a full partner for over a year; Arlene French, Adeline Beebe, Helen Williamson (deep down South), Ruth Green and possibly Margie Lortz are the other full-timers. How many more girls are 'in coins full time'. Please write our Statistical Dept. (The wife doesn't open the mail).

CLUB SECRETARIES. Please note. If requested on your official letterhead, we will gladly send you FREE a copy of Adams' Official Premium List of U. S., Private and Territorial Gold Coins for your club library. If it is possible within the by-laws of your club to send us a membership roster, it will help in revising and bringing up-to-date our mailing list. This however, is not a requisite in getting the free book.

MANY THANKS for your many nice letters praising the impetus given Canadian Coins through my Auction Sales. My love of foreign coins and particularly Canadian coins and tokens was responsible for the first auction sale of Canadian coins by dates, which is now a regular feature. SEE YOU IN SAN FRANCISCO, but in the meantime write, won't you?
